

# SLOANE HENNEN

Street | City, State Zip | xxx.xxx.xxx | email@gmail.com

## CAREER OBJECTIVE

I will graduate from UMD with a degree in both Marketing and Management. After this, I will enter the workforce for 3-5 years before returning to school to get my MBA to further my career.

## EDUCATION

### Marketing & Management

University of Minnesota Duluth | Duluth, MN

Aug 2025- Dec 2027 (expected)

Working towards completing my Bachelor's in both Marketing and Management.

### Business & Entrepreneurship Academy

Shakopee High School | Shakopee, MN

Sept 2021- June 2025

Received my High School diploma from Shakopee High School. Graduated with High Honors and a 3.8 GPA.

### PSEO- general credits

Normandale Community College | Bloomington, MN

Jan 2024- May 2025

Completed the MNTC (general credits) within 3 (average is 4) semesters of PSEO at Normandale to transfer to UMD.

## EXPERIENCE

### Guest Service & Food Service Coworker

Kwik Trip | Prior Lake, MN

Aug 2023- present

This role focuses on delivering exceptional customer service and making a positive impact on all guests. I perform various tasks throughout the store, including checking out guests, stocking shelves, cleaning, cooking, and maintaining store security/ safety.

## EXTRA CURRICULAR

### Women's Track & Field / Thrower

University of Minnesota Duluth | Duluth, MN

Aug 2025 - present

Committed to being a thrower for the UMD track, not only to benefit the team but also to better myself and gain self-discipline.

## SKILLS

Dedication, Efficiency, Guest Service, Hardworking, High Attention to Detail, Open-Minded, Organization, Self-Motivated

## ACHIEVEMENTS

### **Secretary/ Member**

Scott Carver Threshers Association | Jordan, MN

Aug 2020 – present

SCTA is a non-profit organization dedicated to preserving the past. I have been a member since 2020, was elected as a board member at 16 years old in 2023, and was elected as Secretary in 2024 (I am the youngest female for these positions in the organization's history).

Throughout 2024-2025, I have spent nearly 200 hours volunteering and reestablishing the Barn and Livestock Committee. As well as completely repairing the old animal barn and having it operational during the annual show (with animals).
